

Contents

1	Foreword	4
2	Scope	5
3	Typical Welding Procedures	6
3.1	Introduction	6
3.2	Basis of the system	6
3.3	Qualification of Welding Procedure Specifications to BS EN ISO 15614-1	6
3.4	How to use this document	7
4	Preliminary Welding Procedure Specifications (pWPS)	8
4.1	pWPS sheets	8
5	Qualification of Welding Procedure Specifications	25
5.1	Introduction	25
5.2	Fillet Welds	25
5.3	Butt Welds	25
5.4	Examination and testing	26
6	Typical Welding Procedure Specifications	27
6.1	Typical WPS - contents	28
7	References	69
	Appendix A - Calculation of preheating requirements	70
	Appendix B - Metal-arc Active Gas shielded (MAG) welding (Process 135)	71
	Appendix C - Typical Welding Procedure Qualification Record	72
