

## CRAFT Validator Registration Metal Decking Installer (and Studwelding)

<b>Name:</b>	
<b>Company Name:</b>	
<b>Company Address:</b>	
<b>Telephone No:</b>	
<b>E Mail Address:</b>	

To register as BCSA Validator candidates must indicate which of the appropriate documents that will be including with the application. This can also include holders of one of professional bodies; confirmation of their membership will be required to complete the registration.  
Please complete the following application form and submit the appropriate evidence of qualification:

Train the Trainer Qualification	
Certificate of Education (Cert Ed)	
A1 or A2 NVQ Assessor/Internal Verifier	
Construction Skills Certification Scheme (CSCS) Blue Card	
Construction Skills Certification Scheme (CSCS) Gold Card	
National Vocational Qualification Level 2	
National Vocational Qualification Level 3 (or higher)	
Relevant HNC / HND	
City and Guilds Qualification	
Site Supervisor Safety Training (C/Skills)	
Site Manager Safety Training (C/Skills)	
Managing Safely (IOSH)	
Level 2 Supervising Staff Safely (BSC)	
Level 3 Certificate in Occupational Safety & Health (BSC)	
General Health and Safety Certificate (NEBOSH)	
<b>Other Relevant Qualifications</b>	

BCSA Validator certificates will remain valid as long as they have actively contributed to BCSA CRAFT training modules within the previous 2 years.

Please submit the completed application form and copies of the relevant documents (including a current CV with specific trade experience or site-work knowledge) to [training@steelconstruction.org](mailto:training@steelconstruction.org)
