ALL MEMBERS MEMORANDUM NO: 55/20

SAMPLE RISK ASSESSMENTS COVID 19

Please find attached two sample risk assessments for COVID 19 which have been drafted to assist members when trying to assess what they may need to consider for those working in the office environment and those in the factory / workshops.

They have been kept as word documents so you can copy and paste or amend the details to make them more specific to your company and operations.

Peter Walker
Director of Health, Safety & Training
